Understanding the Adding a Tenant Process

When a new tenant is added to an existing lease they are now legally responsible for the terms of the lease along with the current tenants. Via the AOT process, you are added to the *existing* lease, a new lease will not be created. You are assuming the financial obligation to the lease and current condition of the property. This is a continuation of the existing lease term. No inspection of the property will be conducted and no turn over work will be issued until the expiration of the lease.

Please be aware that the security deposit check will be made out to the "Primary Tenant." If you have a question concerning who is the "Primary Tenant" please contact the office.

What the Current Tenant Must Do:

1. Make sure that you have a copy of the "Move-In Inspection Form" that you and/or your roommates completed within 10 days of taking possession of the unit. This form lists any *existing* damage to the property. This will help you and the new tenant determine a fair transfer of the security deposit.
2. Ensure you have a copy of the Residential Rental Contract to provide to the new tenant.
3. Notify the new tenant that he/she MUST submit an application to our office in order to move into the rental property. There are no exceptions, and you can't do this for him/her. The new tenant must apply and must be approved before moving into the rental property.
4. The new tenant and all current tenant(s) must sign on page 2 of this form. The new tenant is to pay their portion of the security deposit directly to the current tenant(s). **When you move out the security deposit will be returned to the "Primary Tenant"**. There are no exceptions to this policy.
5. Submit the completed and signed form to our office and pay a \$150 processing fee to Louise Beck Properties, Inc. No paperwork will be processed until this fee is paid. No cash accepted.

What the New Tenant Must Do:

1. You MUST submit a rental application for the property. You must also pay the \$50 application fee.
2. If you are a student you must provide financial documentation to support your ability to pay rent (i.e. a "Letter of Endorsement" form (LOE) completed by your parent/guardian or scholarship award letter, or financial aid/student loan information). The LOE form is available at our office and online at www.louisebeckproperties.com.
3. You and all current tenant(s) must sign on page 2 of this form.
4. Make sure you receive a copy of the existing "Move-In Inspection" form for the property from the current tenant(s). This form was filled out by the current tenant(s) when they moved in, and it listed any damage to the unit noted at that time. This will help you and the tenant you are replacing to determine a fair transfer of the security deposit
5. The new tenant and all current tenant(s) must sign on page 2 of this form. You are to pay your portion of the security deposit directly to the current tenant(s). **When you move out the security deposit will be returned to the "Primary Tenant"**. There are no exceptions to this policy.
6. Ensure the \$150 processing fee and \$50 application fee have been paid and all forms submitted to our office.
7. Once LBP has approved your application you should review the lease and understand your responsibilities as a tenant, and your rights and obligations under your lease.

Understanding Security Deposit Transfers

When the current tenant(s) moved into the rental property, they paid a security deposit directly to Louise Beck Properties. That security deposit is for the *entire* property, not specific bedrooms within the property. Therefore, it is our responsibility to hold one complete deposit for one whole property. The NC Real Estate Commission requires this of us.

When a tenant is added to an existing lease before the lease period expires, the new tenant pays a security deposit directly to the current tenant(s), allowing us to keep the original security deposit intact. When the lease period is up and *all* tenants move out of the unit, the tenants on the lease at that time will be due a refund of the security deposit and/or final accounting which will be returned to the "Primary Tenant".

Because the new tenant pays a security deposit to the current tenant(s), the new tenant must make absolutely certain that their payment reconciles for any existing damage. Remember, the new tenant will now be responsible to pay for damages that may have been caused during the current lease term. Signing the Adding a Tenant form makes you responsible for the terms of the lease. Ask questions if you're in doubt about any part of this process!
